

YOUR SAUDI EXECUTION PARTNER

FOR IMMERSIVE, INTERACTIVE & 3D EXPERIENCES

AO-INTERACTIVE helps U.S. agencies, exhibit builders and technology firms move from pitch feasibility to reliable Saudi and GCC deployment - under your brand or alongside it.

ON-GROUND DELIVERY

U.S. - SAUDI PARTNER PROGRAM

SUPPORT AT EVERY CRITICAL STAGE

From proposal to launch, AO closes the regional delivery gap.

- ✓ **Pitch feasibility & prototypes**
Technical inputs that strengthen proposals and approvals.
- ✓ **XR, interactive & 3D production**
Unity, Unreal, WebGL, real-time 3D, UI and content.
- ✓ **Bilingual localization**
Arabic/English interfaces, content and voiceover coordination.
- ✓ **Hardware & AV coordination**
Screens, sensors, projection, headsets and site requirements.
- ✓ **On-site deployment support**
Setup, calibration, handover, launch and show support.

FLEXIBLE WAYS TO WORK

- 01 WHITE-LABEL**
We work behind your brand.
- 02 CO-DELIVERY**
You lead; AO executes.
- 03 REGIONAL DEPLOYMENT**
Saudi/GCC launch support.
